The New Season

conscious craftsmanship.

Westford Mill welcomes in the new season with 17 new styles, each crafted with the same dedication to mindful design that strives for minimal environmental impact. Organic cotton, responsible processes and nature-inspired colour palettes embody this ongoing commitment to a more sustainable future.

As is expected of any Westford Mill collection, all new styles are the perfect blend of conscious design with no compromise on aesthetic.

true stripes.

Some trends come and go but a stripe is timelessly classic. The Striped collection elevates a soft, minimal aesthetic with a subtle hint of colour and a touch of heritage charm. Made from 100% organic cotton, this is another welcome step towards a more sustainable future and more conscious style choices.

a soft touch.

Say hello to Soft-Washed jute that offers a chic distressed finish to compliment laidback looks and casual styling. The special thing about this collection is that due to the nature of the fabric, colours naturally vary so each piece is unique in its own organic way.

all natural.

The Natural Starched collection introduces an array of angular silhouettes designed for boxy styling and structured storage. Still soft in aesthetic and organic in colour but super robust, these styles promise to pass the test of time. All-natural construction leaves traditional lamination behind.
